

Hello Haigh Families!

We are excited to bring back our annual "Halloween Parade" at Haigh! This has been a long standing tradition at our building and is one of our favorites. As you know, the best part of this event is seeing all of the costumes, the smiles and happiness on everyone's faces!

Parents are invited to join us outside on Tuesday, October 31, beginning at 1:15pm. Students will parade around the Silvery Ln. City block in front of the school 1-2 times in their costumes (weather permitting.) K-2 students will do one lap around and 3-5 students will do 2 laps. Parents that are joining us, please stand at your child's regular drop off/pick up location for pictures as the students walk by. This will ensure there are no large crowds in one location and allow for better pictures.

Costume Rules:

- No masks
- No play weapons or accessories
- No inflatable costumes
- No costumes that are difficult for the student to get on/ off when using the bathroom

If parents are donating snacks to classrooms we kindly ask that they are "NUT FREE."

Please remember that Tuesday is an EARLY RELEASE for all students with dismissal at 2:25!

** If it rains, students will walk an indoor parade route. Parents will not be allowed to watch the indoor parade due to available space and safety of all students **
