

Haigh Elementary School

December 8, 2023

Greetings Haigh Families,

I hope all are doing well! I want to thank everyone for their patience and support as we navigated several changes lately with the official start of construction. Your support makes everything here at Haigh possible, which is why I am looking for your partnership again.

In recent weeks we have seen an increase in students wearing Smart Watches (Apple or similar style) in the classroom. These can be very distracting not only for the student wearing it, but for the students around them as well. Moving forward, we are asking that all students refrain from bringing electronic devices to school such as smart watches, cell phones etc. If they are brought to school, they are not to be used throughout the course of the school day. If a student is observed using their smart device during the school day, it will be taken by the teacher/staff member and will need to be picked up by the parent from the Main Office. In addition, please understand that the school is not responsible for electronic devices that are lost, damaged, or stolen.

We know that our Owls are doing amazing things in their classrooms everyday and we do not want these distractions to interrupt their ongoing progress. Thank you so much for your support in this, it is greatly appreciated.

Have a wonderful weekend,

A handwritten signature in black ink that reads "Erin McIngvale". The signature is written in a cursive style.

Mrs. McIngvale
